

a matter of emotion

Emotion is a leading headset brand. Emotion is all about universal solutions for intensive cordless and corded telephone comfort.

Under the Emotion name, we market high-quality headsets which we develop and manufacture ourselves, applying the very latest noise-cancelling technology. The products are extremely well suited to intensive use in office environments.

The Emotion H700 and H750 headsets are superbly suited to both the office and call centre environments.

The combination of supreme comfort and lightweight, make the H700 and the H750 comfortable to wear all day. The standard featured noise cancelling microphone will ensure that your clients hear your advisors properly and not the background chatter.

The H700 and H750 headsets are compatible with nearly all telephone handsets and headset accessories.
